Texas men win another swim title

After jumping out to an early lead, Texas withstood a second-day charge by Southern California and then pulled away to win its third straight Division I Men's Swimming and Diving Championships team title.

The Longhorns, who won their fourth title since 1981 under coach Eddie Reese, outdistanced the Trojans by 83 points, 506-423. Stanford edged Michigan by 3½ points to finish third at the March 22-24 meet at the Indiana University Natatorium in Indianapolis.

Texas won four of five relays—setting two American records and one meet record in the process—and Longhorns senior Kirk Stackle successfully defended his title in the 100-yard breaststroke to lead the way to victory. Senior Doug Gjertsen also won an individual title for the Longhorns in the 200-yard freestyle.

After leading by 17 points at the end of the first day of competition, Texas briefly yielded the lead to Southern Cal when the Trojans' David Wharton and Ray Looze finished Nos. 1 and 2 in the 400-yard individual medley. With the victory, Wharton swept the individual medleys at the meet for the third straight year.

But Texas quickly recovered and

established a 69-point lead at day's end, then never looked back on the final day.

"This was the best (meet) we've had, even better than in 1988," said Reese, who saw Texas become the sixth school in the championships' 67-year history to win three straight team titles. "Had we swam this year like we swam last year, we'd have been a second-place team."

The Longhorns won every relay race but the 200-yard medley, in which Princeton successfully defended its title and established American and meet records.

But Texas set its own American marks in the 400-yard medley and 800-yard freestyle relays, anchored both times by Gjertsen. The medley time also is a meet best, but the freestyle mark was one-tenth of a second short of Florida's 1984 meet record in that event.

Gjertsen, who also swam the last leg of the Longhorns' winning effort in the 400-yard freestyle relay, has anchored nine Texas relay teams to victory in the past three years.

Only one record-setting performance was turned in outside of the relays, but it struck down the oldest mark in the book. With his 1:53.77 victory in the 200-yard breaststroke, Michigan's Michael Barrowman broke American and meet marks set in 1981 by Steve Lundquist of

Southern Methodist.

"It needed to be broken," Barrowman said. "It was too old. It was a good record, but its time had passed."

Lundquist's record in the 1983 meet's 100-yard breaststroke is now the oldest surviving mark.

Three other swimmers joined Southern Cal's Wharton as double titlists at the meet—Michigan's Brent Lang won the 50- and 100-yard freestyles, Florida's Anthony Nesty swept the butterfly events and Iowa's Artur Wojdat won the 500- and 1,650-yard freestyles. Wojdat also was a double winner last year, while Lang won the 50 freestyle for the second straight year.
