TELEVISION . . . Don't miss the 1991-92 Pac-10 Men's Swimming Championship on television Wednesday, November 27, at 4:00 p.m. on Prime Ticket.

NO CHAMPION UNTIL MARCH . . . The seven Pac-10 institutions that sponsor men's swimming (Arizona, Arizona State, California, Stanford, UCLA, USC and Washington) will compete for the Championship . . . Individual results of the Pac-10 Diving Championship (Friday, February 28 - Sunday, March 1 in Tucson, Ariz.) will also enter into the team scoring of the Swimming Championships under the 16-place scoring system (20-17-16-15-14-13, etc.) . . . So, although the swimming championships are in November, the official Conference Swimming Champion will not be determined until the Diving Championships are completed on March 1, 1992.

MEDIA CONTACT . . . USC's **Linda Dodge** is the media coordinator . . . All credential requests should be forwarded to her: Linda Dodge, USC Sports Information, Heritage Hall 103, University Park, Los Angeles, CA 90089-0601, (213) 740-8480 (Office), (213) 740-3815 (Fax).

TOP-20 DOMINATION . . . The latest national ranking finds six of the seven Pac-10 teams among the top 11 . . . Check next page for the poll.

A SEASON TO REMEMBER . . . This season will be a unique challenge for each team in the Pac-10 as a result of the unusually early Pac-10 Championships (normally held in the spring) . . . The Conference meet was moved up due to the 1992 Olympic Trials in early March . . . Another result of the early championship is a compacted meet schedule, with many Pac-10 teams not being able to compete against one another before the meet.

CAN'T STOP THE CARDINAL . . . The reigning Pac-10 Champion, Stanford, captured a record 10th straight title last season . . . The Cardinal streak began in 1982 when they edged UCLA by 11 points . . . Over the years, USC has won 17 Pac-10 team titles (nine consecutive), Stanford nine, California two and UCLA two.

A LOOK AT THE TEAMS:

ARIZONA: An Arizona team that placed sixth in the Conference last season, then came on strong last year at the NCAA's to finish seventh overall (Arizona's best finish ever), returns three All-Americans: **Mariusz Pokoscielny** in the distance freestyle, **Seth Pepper** in the butterfly and **Brad Bachulis** in the breaststroke . . . Podkoscielny will be tough to beat as he looks to defend his two Pac-10 titles in the 500 and 1650 freestyle (he also placed second in both events at the NCAA's) . . . Flyer Pepper finished second in the 100 at the NCAA's . . . Other Wildcats to watch include: **Clark Pierce** and **A.J. Summers** in the backstroke, **Jordan Gerton** in the breaststroke and **Todd Newman** in the butterfly . . . So far this season, Arizona is 2-1 in dual meets . . . The team was narrowly defeated by USC in its opening meet and then chalked up substantial wins over New Mexico and Hawaii . . . Look for this talented Arizona team to battle for a top five finish.

ARIZONA STATE: The Sun Devils are strong this season with 19 returning letter winners and nine newcomers . . . They are feeling the loss of All-American **Troy Dalbey**, but backstroke **David Holderbach** (ranked sixth in the world), flyer **Keith Dennison** and All-American sprinter **Emmanuel Nascimento** are making waves . . . Also contributing for the Sun Devils will be **Renato Remalho** (a Pan Am Games finalist in the backstroke), **David LeBlanc** in the breaststroke and backstroke **Simon Percy** (placed fifth in the Pan Am Games) . . . Percy is also a powerhouse in the IM . . . Arizona State is going into the championship with a 2-1 dual meet record, losing to USC, 105-138, and defeating New Mexico and UNLV by large margins.

CALIFORNIA: The Golden Bears are led by All-American **Scott Jaffe** and **Alex Marcek** in the breaststroke, **Rob Darzynkiewicz** (Cal's leading returner in four different categories) and sprinter **Par Lindstrom** . . . Freshman flyer Martin Herrmann is coming on strong . . . Marcek won the 200 breaststroke in last season's Pac-10 meet while Jaffe claimed the 200 IM . . . Both will be tough to outswim . . . California also captured the 400 yard freestyle relay and placed third in the 800 last season . . . The Bears are off to an impressive start this season with a 5-1 record . . . Their only loss is to Stanford, 108-132, while they overcame No. 1 Texas, 143-133, UC Davis, 179-99, Fresno State, 76-19, UC Santa Barbara, 182-95 and CS Northridge, 207-69.

STANFORD: With a load of experience returning and fresh talent joining the squad, the reigning Pac-10 Champion could very well be on its way to its 11th consecutive Conference title and possibly the NCAA title, as well . . . Stanford has already defeated No. 1 Texas, the defending NCAA Champion, this season, as well as California and UC Santa Barbara . . . Look for Stanford to cover every event with a NCAA contender, but these swimmers will be extremely solid: sprinters **Erik Maurer** and **John deGroot**, freestyler **Alex Fostich** (Pan Am Games gold medalist in the 1650 freestyle), national champion backstroke **Jeff Rouse** (world record holder in the 100), backstroke **Derek Weatherford** and flyer **Ray Carey** (third in the world in the 200) . . . With the Cardinal returning all five Pac-10 individual champions from last season as well as three Pac-10 champion relay teams in their entirety, they could be tough to beat.

UCLA: The Bruin team that placed second in the Pac-10 and 10th in the NCAAs in 1991, returns many of its strongest swimmers this season . . . Look for the Bruins to contend for the top three spots in the Conference and the nation . . . UCLA will excel in sprints as they return five highly-accomplished sprinters . . . Leading the way is five time All-American **Byron Davis**, **Brian Kurza**, **Chris Mann**, **Jay Behr** and **Michael Picotte** . . . Also returning is the 1991 national breaststroke champion, **Andrea Cecchi** and flyer **Dan Kutler** . . . The Bruin's relays should be top notch competition for any opponent . . . The 400 medley relay (Thompson, Cecchi, Kutler and Kurza) qualified for the NCAA championships at the USC meet . . . This season the Bruins have defeated UC Santa Barbara 185-99, but were outswam by the Trojans 165-76.

USC: Although the Trojans lost five senior All-Americans from last year's fourth place NCAA team, they are right up there at the top of the Pac-10 and the nation again this season . . . Senior backstroke and 10-time All-American **Gary Anderson** leads the team, while **Greg Larson** in freestyle and **Erik Hochstein** swimming the distance back the team with experience . . . Look for newcomers to make a good showing in the sprint events and the freestyle relays . . . Backstroke **Jason Stelle** (1991 Olympic Festival gold medalist), flyer **Mike Merrell** (gold and silver medalist at the Pan Am Games) and breaststroke **Andrew Trussler** are sure to have a successful meet . . . USC has defeated three quality Pac-10 opponents thus far, Arizona, Arizona State and UCLA.

WASHINGTON: The Huskies are once again dominating northwestern competition this season with sizeable wins over Alaska, 154-51, Pacific, 140-57, and Puget Sound, 137.5-67.5 . . . They also placed second in their own Husky Relays (British Columbia placed first) . . . Coach **Earl Ellis** is expecting to feel the loss of All-American **Jody Braden** at the Pac-10 Championships, but hopes a dynamic group of freshmen will help boost the Huskies back into Pac-10 contention . . . Dawgs' to watch are backstroke **Gary DeFrاند**, middle distance swimmers **Kyle Kimball**, **Troy Napton** and **Charlie Root**, and breaststrokers **Brandon Drawz**, **Blake Miller** and **Jason Watson** (who is nursing a shoulder injury).

1992 NCAA CHAMPIONSHIPS . . . The NCAA Men's Swimming Championship will be held March 26 - March 28 in Indianapolis, Indiana . . . The Pac-10 will most likely have strong representation from a number of teams . . . Following are the 1992 NCAA Qualifying Times:

STANFORD SWEEPS 1992 MEN'S SWIMMING HONORS

In a vote by the Conference coaches, Stanford senior Jeff Rouse has been named the 1992 Pac-10 Swimmer of the Year, while Cardinal coach Skip Kenney has been named Pac-10 Coach of the Year for the eighth time, Commissioner Tom Hansen announced today.

Rouse, of Fredericksburg, Va., set two American records in helping his team end Texas' four-year dominance at the NCAA Swimming Championships. He was the meet's high-point man with 60 after setting the American standard in the 100- and 200-yard backstrokes, touching the wall in 46.12 seconds and 1:40.64, respectively. His time in the 100 surpassed his own American mark of 46.22, while his 200 time was 2.53 seconds better than the previous American record of 1:43.17, set by teammate Brian Retterer in '91. At the Pac-10 Championships in late November, Rouse placed second in the 100 back, fourth in the 200 back and led the Cardinal 200- and 400-yard medley relay teams that set new meet records of 1:27.33 (200) and 3:12.00 (400). Rouse will represent Team USA at the 1992 Summer Olympic Games in Barcelona, Spain.

Kenney, who was also Pac-10 Coach of the Year in 1983, 1985-1989 and 1991, led the Cardinal to both a Pac-10 and NCAA Championship this season. Winning four individual events— Rouse won three— and sweeping the five relay events, Kenney's Cardinal squad became the first team in NCAA meet history to eclipse the 600-point barrier with 632. Stanford's performance halted Texas' four-year reign on the NCAA trophy. Kenney led the Cardinal to their eleventh straight Pac-10 team title with a score of 810.0. Kenney was an assistant coach for the U.S. Olympic swimming team in 1984, and 1988 and in 1987 served as the combined men's and women's head coach of the United States Pan American Games team.

A LOOK AT THE COMPETITION:

On the Men's Side . . . ARIZONA has three divers that may add a few points to the Cats' fifth-place swimming finish: **Ron Hobbs**, **Brett Spigelman** and **Byron Bridges**. Both Hobbs and Spigelman enter the meet already qualified for the NCAA Zone meet in both the 1M and 3M. They also both placed well at the '91 Pac-10 meet. Hobbs best scores this season (1M - 294.45 & 3M 320.10), Spigelman (1M - 306.75 & 3M 323.475) and Bridges (1M - 188.0 & 3M 223.35) . . . **ARIZONA STATE** is strengthened by two veterans, **Bill Conti** and **Rick Sawtell** in the 1M and 3M. Sawtell finished sixth in the 3M last season at the Pac-10 meet. **Dan Switlick** leads the platform divers . . . **Jason Lipton** leads may be just what **CALIFORNIA** needs to secure its second place Conference finish. He has won multiple dual meets this season in the 1M and 3M . . . **STANFORD** is powered by **Brad Wightman** and **Mark Kraus** in all three events. Wightman dove to top five finishes in both the 1M and 3M at the '91 Pac-10 meet, but Kraus is leading the team in both events this season. His season bests are 283.20 in the 1M and 336.15 in the 3M . . . **UCLA** junior **Kort Borg** has captured the 1M and 3M titles in the Bruins last four dual meets this season. He may earn the Bruins a shot at a second-place Pac-10 finish . . . Three-time Pac-10 Champion **Brian Earley** of **USC** is gunning for another Platform title and possibly a top finish in the 1M and 3M (he finished second in both in '91). Also diving for the strong Trojan team is **Tom Reed**, who looks to finish in the top 10 in all three events.

On the Women's Side . . . ARIZONA senior **Lori Detweiler** and newcomer **Marni DeRyckere** lead the Cats on the boards. Both Detweiler and DeRyckere have qualified for the NCAA Zone meets this season in the 1M and 3M. Detweiler has season bests of 262.70 in the 1M and 280.27 in the 3M, while DeRyckere posts bests of 262.12 in the 1M and 280.87 in the 3M . . . **ARIZONA STATE** lost its top diver Janae Lautenschlager, who finished second in the 3M and third in the 1M at the Pac-10 Championships last season. **Jodi McCloughy** leads the Sun Devils this season along with **Kathy Zambrosky**. After the Swimming Championships, Arizona State (6th) is right on Arizona's (5th) tail needing less than 20 points to move ahead . . . **CALIFORNIA** heads into the diving competition tied with USC for third-place in the team standings. **Melissa Graviss**, the Bears first-ever All-American diver, and **Jill Campbell** have the ability to pull this team into a second place finish . . . **STANFORD** will be tough to beat with defending Pac-10 1M and 3M Champion, **Eileen Richetelli** and '91 top five finisher **Melisa Kuller**. Kuller leads the Cardinal this season in the 1M with a best of 260.20 and Richetelli leads in the 3M with 278.85 . . . Junior transfer **Kristin Walls** of **UCLA** has finished no lower than third in dual meets this season. She has also won both the 1M and 3M in four meets in '92. The Bruins, in second-place after the Pac 10 Swimming Championships, hope Walls dives well enough to keep the barrier between them, USC and California . . . **Anne Bierzychudek** leads the **USC** divers. She finished in the top 10 in both the 1M and Platform events at last year's Pac-10 Championship. USC will be battling California and UCLA for the second-place Conference finish.

Rouse-led Stanford swamps swimming field with 632-point outburst

Stanford's Jeff Rouse set two American records and his team ended Texas' four-year reign by rolling up a Division I Men's Swimming and Diving Championships meet-record 632 points to claim its fifth team title March 26-28 at Indianapolis.

Winning four individual events—Rouse won three—and sweeping the five relay events, coach Skip Kenney's Cardinal squad became the first team in meet history to eclipse the 600-point barrier.

The Cardinal which set five American records, surpassed the meet record for margin of victory by scoring 276 more points than Texas. The previous high was 181 points by Southern California in 1977.

UCLA finished third, and California and Arizona rounded out the top five.

Rouse, the meet's high-point man with 60, set the American standard in the 100- and 200-yard backstrokes, touching the wall in 46.12 seconds and 1:40.64, respectively. His time in the 100 surpassed his own American mark of 46.22, while his 200 time was 2.53 seconds better than the previous American record of 1:43.17 set by teammate Brian Retterer in 1991.

In addition to his record-breaking performances in the individual events, Rouse also played a role on two of Stanford's three record-breaking relay teams.

Swimming the first legs of the 200- and 400-yard medley relays, Rouse guided the Cardinal to times of 1:25.88 and 3:08.39, respectively. The 200-yard time broke the American record of 1:27.31 set by Princeton in 1990, while the Cardinal's
