CANT STOP THE CARDINAL . . . Stanford, the reigning Pac-10 Champion and winner of all five previous Pac-10 team titles, looks again to be the favorite in 1992 . . . The Cardinal heads into the Championships undefeated, 5-0, and ranked No. 1 in the nation . . . California, UCLA, Arizona State, USC and Arizona, all ranked in the Top 15, are strong contenders for a top five finish.

A LOOK AT THE TEAMS:

ARIZONA: Although the 13th-ranked Wildcats have suffered some tough dual meet losses to Conference foes this season, they have the individual power it takes to excel at the Pac-10 Championships . . . Arizona's most lethal weapon, 1991 Pac-10 Co-Swimmer of the Year **Crissy Ahmann-Leighton** won three events (50 free, 100 free and 100 fly) and set two Pac-10 meet records (50 free and 100 fly) at the 1991 Pac-10 Championships. She then went on to set an American record in the 100 fly (52.36) at the NCAA Championships. This season she is leading the team and has already met the NCAA qualifying times in the 50 free, 100 free and 100 fly . . . Freshman sensation **Amy Van Dyken** broke Ahmann-Leighton's school record of 22.96 in the 50 free with a 22.82 earlier this season . . . Also for the Cats, senior All-American **Kelli King**, who placed second in the 100 breast at last year's meet, will provide some points, as well as freshmen **Michelle Ham** in the IM and **Amy Ward** in the middle distance races . . . **Christy Carolin**, Van Dyken, **Stephanie Scheetz** and Ahmann-Leighton form one of the Pac-10's speediest 200 free relays.

ARIZONA STATE: The Sun Devils, ranked seventh in the nation, enter the Championships with a perfect 3-0 mark against Pac-10 schools and an even better 6-0 mark overall . . . Among the victims: ninth-ranked USC (173-126), fifth-ranked UCLA (154-146) and 14th-ranked Arizona (135-106) . . . All-American **Besti Hugh**, a junior fly and IM specialist, is on a roll this season, holding team-best times in three events: 200 fly, 200 IM and 400 IM. Hughes also broke the meet record in the 200 IM at the U.S. Grand Prix with a time of 4:17.95, good enough to automatically qualify her for the NCAA Championship . . . Arizona State will be pushing it to the limit as it battles for a top Conference finish and also attempts to get senior **Hendi Hendricks**, who holds the school record in the 50 free, and other top swimmers qualified for the NCAA's.

CALIFORNIA: The Golden Bears, ranked eighth in the nation, are 5-3 on the season, 1-2 in the Pac-10, with their only three losses against these powerhouses: No. 1 Stanford, No. 2 Texas and No. 5 UCLA . . . Although California didn't win a single swimming event in the loss to Stanford, several Bears set season bests. Freshman **Sonya Nimtz** posted the team's fastest time this season in the 1000 free (10:03.39), as did senior **Pippa Downes** in the 100 back (58.92). . . **Heather Reagan** is leading the 50 and 100 free and **Lisa Summers**, who captured a gold medal in the 200 IM at the Pan Am Games, is a strong contender in the middle-distance free . . . Cal's speedy freestyle swimmers are top-notch competition in the 200 and 400 free relays and will be aiming for good enough times to reach the NCAAs.

OREGON STATE: It has been a tough year for the Beavers, 0-5 in dual meets, trying to rebound after losing eight seniors off last year's team . . . Small in number and inexperienced, the team has been forced to look to individual performance rather than depth as a factor in dual meets . . . **Amy van Loben Sels** has excelled in both the 50 and 100 free, winning both events in numerous dual meets . . . Equally impressive is backstroke **Tori Eisenbeis**, who has posted the winning mark in every dual meet this season, **Julie Hlmstreet** in the 200 IM and **Debbie Fagan** in the distance free.

STANFORD: The Cardinal's domination in the water so far this season gives every indication this team is well on its way to its fifth consecutive Conference title and possibly the 1992 NCAA title . . . Stanford's most recent thumping of fifth-ranked California, 183-78, moved its record to an unblemished 5-0 overall and 3-0 in the Pac-10 . . . Standouts **Lea Loveless**, **Lori Heisick**, **Janel Jorgensen** and **Jenny Thompson** all posted two wins in the victory at home over the Bears. Thompson, a freshman, set two deGuerre pool records in the 50 free (22.87) and the 100 free (49.79), while Loveless, another newcomer, set a pool and Pac-10 record in the 200 backstroke (1:56.38) . . . **Summer Sanders**, 1991 Pac-10 Co-Swimmer of the Year, is looking to better her Conference meet performance last season in which she won both the 200 fly and the 200 IM, setting Pac-10 records in both. Sanders is also NCAA champion in the 200 fly, 200 IM and 400 IM . . . Also making waves at Stanford is newcomer **Mary Ellen Blanchard** in the IM and the 400 medley relay combination of Loveless, Heisick, Jorgensen and Thompson.

UCLA: The Bruin team will be a top contender for the runner-up spot at this year's meet . . . Impressive wins over top-ranked teams such as California, Michigan, Arizona and USC have secured UCLA a No. 5 national ranking going into the meet with a 5-3 overall record and a 3-2 record in the Conference. Stanford and Arizona State handed UCLA its only two Pac-10 losses . . . Sprints are the Bruins specialty with senior All-American **Kristin Stoudt** setting the standard. She has a team season-best of 23.24 in the 50 free, 50.95 in the 100 free and 54.80 in the 100 fly, all of which are automatic qualifications for the NCAA Championships . . . Freshmen sensation **Natalie Norberg**, who set a new school record of 4:44.27 in the 500 free, is leading the team and has already qualified for the NAAs in the 200 and 500 free . . . Also watch for **Lori Walker** to stand out in the middle-distance and distance free . . . The Bruins' 200 free and medley relays will be tough to catch.

USC: The Trojans enter the Championships ranked ninth in the nation with a 7-3 overall dual meet record and a 2-3 mark in the Pac-10 . . . Two solid wins over No. 14 Arizona and No. 8 California are proof that USC's depth will be tough to beat . . . Leading the Trojans is U.S. National team member **Tara Shriner** in the breaststroke, last season she finished third in the 200 at the Pac-10 Championships . . . Backstroker **Sheri White** finished fourth in '91 and will vie for a top spot, as will **Megan Holliday** in the distance free and **Elin Bartell** and **Ulrike Reinholdt** in the sprints . . . Rounding out the list of Trojan strokers striving to meet NCAA qualifying standards are newcomers **Elizabeth Barnhardt** and **Jennifer Hutchinson** in the butterfly.

WASHINGTON: The Huskies bring an impressive 9-1-1 overall dual meet record to the Pac-10 meet . . . Against Pac-10 competition, The Husky's outswam both Oregon State and Washington State at the Oregon State Invitational earlier in the season, tied with Washington State in a dual meet and then finished second only to Washington State in their own Husky Relays . . . Middle-distance free, distance free and butterfly are Washington's strongest areas . . . Backstroker **Tiffany Taradash** and flyer **Michelle Murray** are Husky's to watch for.

WASHINGTON STATE: The Cougars finished the regular-season undefeated in dual meets with a record of 5-0-1, the first-ever undefeated season in Washington State history . . . The team also won their third consecutive Husky Relays title . . . The Cougars' strongest areas are the stroke events as freshman **Jennifer Larson** (200 back), freshman **Shelly Hart** (1650 free), junior **Kim Taylor** (100 back) and junior **Anjanette Wong** (400 IM) have all shattered school records this season . . . Improving on last season's eighth-place finish looks feasible for the Cougars.

1992 NCAA CHAMPIONSHIPS . . . The NCAA Women's Swimming Championship will be held March 19 - March 22 in Austin, Texas . . . The Pac-10 will once again be heavily represented by a number of teams and individuals in contention for the NCAA team and individual title . . . Following are the 1992 NCAA Qualifying Times:

1992 NCAA WOMEN'S TIME STANDARDS

LAST SEASON . . . Stanford won its fifth consecutive Pac-10 Championship, claiming 10 of the 18 swimming events and two of the three diving events . . . The Cardinal went on to finish second at the NCAA's, as Pac-10 teams once again dominated with four placing in the top 10: Stanford (2nd), UCLA (5th), Arizona (7th) and Arizona State (9th) . . . Stanford's individual titles included: Olympian **Janet Evans** capturing the 500 and 1650 freestyle titles, **Lori Heisick** winning the 100 breast and **Summer Sanders** ruling in the 200 butterfly, 200 IM and 400 IM . . . After winning three Pac-10 individual titles (50 free, 100 free and 100 fly), **Crissy Ahmann-Leighton** of Arizona set a new NCAA record in the 100 fly with a time of 52.36 at the NCAA meet . . . Sanders and Ahmann-Leighton were named 1991 Pac-10 Co-Swimmers of the Year, while Arizona coach **Frank Busch** received his first Pac-10 Coach of the Year honor.

A LOOK AT THE COMPETITION:

On the Men's Side . . . ARIZONA has three divers that may add a few points to the Cats' fifth-place swimming finish: **Ron Hobbs**, **Brett Spigelman** and **Byron Bridges**. Both Hobbs and Spigelman enter the meet already qualified for the NCAA Zone meet in both the 1M and 3M. They also both placed well at the '91 Pac-10 meet. Hobbs best scores this season (1M - 294.45 & 3M 320.10), Spigelman (1M - 306.75 & 3M 323.475) and Bridges (1M - 188.0 & 3M 223.35) . . . **ARIZONA STATE** is strengthened by two veterans, **Bill Conti** and **Rick Sawtell** in the 1M and 3M. Sawtell finished sixth in the 3M last season at the Pac-10 meet. **Dan Switlick** leads the platform divers . . . **Jason Lipton** leads may be just what **CALIFORNIA** needs to secure its second place Conference finish. He has won multiple dual meets this season in the 1M and 3M . . . **STANFORD** is powered by **Brad Wightman** and **Mark Kraus** in all three events. Wightman dove to top five finishes in both the 1M and 3M at the '91 Pac-10 meet, but Kraus is leading the team in both events this season. His season bests are 283.20 in the 1M and 336.15 in the 3M . . . **UCLA** junior **Kort Borg** has captured the 1M and 3M titles in the Bruins last four dual meets this season. He may earn the Bruins a shot at a second-place Pac-10 finish . . . Three-time Pac-10 Champion **Brian Earley** of **USC** is gunning for another Platform title and possibly a top finish in the 1M and 3M (he finished second in both in '91). Also diving for the strong Trojan team is **Tom Reed**, who looks to finish in the top 10 in all three events.

On the Women's Side . . . ARIZONA senior **Lori Detweiler** and newcomer **Marni DeRyskere** lead the Cats on the boards. Both Detweiler and DeRyskere have qualified for the NCAA Zone meets this season in the 1M and 3M. Detweiler has season bests of 262.70 in the 1M and 280.27 in the 3M, while DeRyskere posts bests of 262.12 in the 1M and 280.87 in the 3M . . . **ARIZONA STATE** lost its top diver **Janae Lautenschlager**, who finished second in the 3M and third in the 1M at the Pac-10 Championships last season. **Jodi McCloughy** leads the Sun Devils this season along with **Kathy Zambrosky**. After the Swimming Championships, Arizona State (6th) is right on Arizona's (5th) tail needing less than 20 points to move ahead . . . **CALIFORNIA** heads into the diving competition tied with USC for third-place in the team standings. **Melissa Graviss**, the Bears first-ever All-American diver, and **Jill Campbell** have the ability to pull this team into a second place finish . . . **STANFORD** will be tough to beat with defending Pac-10 1M and 3M Champion, **Eileen Richetelli** and '91 top five finisher **Melisa Kuller**. Kuller leads the Cardinal this season in the 1M with a best of 260.20 and Richetelli leads in the 3M with 278.85 . . . Junior transfer **Kristin Walls** of **UCLA** has finished no lower than third in dual meets this season. She has also won both the 1M and 3M in four meets in '92. The Bruins, in second-place after the Pac 10 Swimming Championships, hope Walls dives well enough to keep the barrier between them, USC and California . . . **Anne Bierzychudek** leads the **USC** divers. She finished in the top 10 in both the 1M and Platform events at last year's Pac-10 Championship. USC will be battling California and UCLA for the second-place Conference finish.

STANFORD SWEEPS 1992 WOMEN'S SWIMMING HONORS

In a vote by the Conference coaches, Stanford sophomore **Summer Sanders** has been named the 1992 Pac-10 Swimmer of the Year, while Cardinal coach **Richard Quick** has been named Coach of the Year, Commissioner Tom Hansen announced today.

Sanders, of Roseville, Calif., smashed three meet records and two American records while competing on two record-breaking relay teams to lead Stanford to its third NCAA title. Sanders was named outstanding swimmer of the meet for the second consecutive year, setting meet records in the 200-yard fly (where she finished nearly four seconds ahead of her nearest competitor) and 200- and 400-yard individual medleys. The butterfly mark eclipsed her own meet record of 1:54.17, set last year. In the individual medleys, Sanders set both meet and American records. Clocking in at 1:55.54 in the 200, Sanders surpassed her own American record of 1:57.02. Her time of 4:02.28 in the 400 was nearly three seconds better than her meet record of last year and shaved 2.35 seconds off the American standard. Sanders will represent Team USA at the 1992 Summer Olympic Games in Barcelona, Spain.

Sanders led the Cardinal to its sixth straight Pac-10 title, setting three individual and two team relay records at the Pac-10 Championships in late February. Her meet records included: 1:55.28 in the 200 butterfly, 1:59.34 in the 200 IM, 4:07.27 in the 400 IM, 1:32.57 in the 200 free relay and 1:40.74 in the 200 medley relay.

Quick led Stanford to its sixth straight Pac-10 title and second NCAA title in four years (1989). Runners-up at the 1990 and 1991 meets, Stanford accumulated 735.5 points—the second highest total on meet history—to outdistance two-time defending champion Texas. The Cardinal set eight records, capturing six individual records and three of the four relays en route the NCAA title. Quick's Cardinal team dominated the Pac-10 Championships, clinching every event but one and setting 16 meet records and three Conference records. Quick coached Texas to five consecutive NCAA titles from 1984 to 1988 before joining the Cardinal in 1989.

Cardinal swimmers grab Division I women's title

Summer Sanders smashed three meet and two American records and competed on two record-breaking relay teams to lead Stanford to its third Division I Women's Swimming and Diving Championships team title March 19-21 at Texas.

Runners-up at the 1990 and 1991 meets, Stanford accumulated 735 1/2 points—the second highest total in meet history—to outdistance two-time defending champion and seven-time team titlist Texas in a meet highlighted by 11 record-breaking performances, including 10 American marks.

Stanford, which rebounded after falling behind by 38 1/2 points on the first day, smashed eight records to give coach Richard Quick his second team title at Stanford and seventh of his career. Quick coached Texas to five consecutive titles from 1984 to 1988 before joining the Cardinal. Florida finished third with 294 1/2 points, while Southern Methodist and Arizona rounded out the top five. Florida's third-place finish, coupled with the one-two showing by Stanford and Texas, made it 10 consecutive years that the trio has claimed the top three spots.

Sanders, who was named outstanding swimmer of the meet for the second consecutive year, set meet records in the 200-yard butterfly (where she finished nearly four seconds ahead of her nearest competitor) and 200- and 400-yard individual medleys. The butterfly mark eclipsed her own meet record of 1:54.17, set last year.

In the individual medleys, Sanders set both meet and American records. Clocking in at 1:55.54 in the 200, Sanders surpassed her own American record of 1:57.02. Her time of 4:02.28 in the 400 was nearly three seconds better than her meet record of last year and cut 2.35 seconds off the American standard

Stanford freshman Jenny Thompson became the first Cardinal swimmer since 1987 to sweep the 50- and 100-yard freestyles. Here, she begins her 22.14 run in the 50-yard event; she swam the 100 in an American-record time of 47.61. Thompson also helped Stanford's 200-yard medley relay and 800-yard freestyle relay teams to American records

set by Florida in 1988. Standouts Crissy Ahmann-Leighton of Arizona, Nicole Haislett of Florida and Whitney Hedgepeth of Texas also won titles in record-breaking fashion. Ahmann-Leighton, winner of the 1991 100-yard butterfly and American-record-holder, became the first American woman to finish in under 52 seconds in that event with a 51.75 time.

Haislett became the first American woman to break 1:44.00 in the 200-yard freestyle, touching the wall in 1:43.28. She shattered the meet record of 1:44.78 set by Mizzi Kremer of Clemson in 1989 and Cynthia Woodhead's 1979 American mark of 1:44.10. Haislett became the first swimmer in the meet to win that event twice in a row.

Kenyon swimmers pace all-academic team

The College Swimming Coaches Association of America (CSCAA) has announced its 1992 all-academic team and individual awards for the spring 1992 semester.

Kenyon's men's and women's teams, which have combined for 22 consecutive NCAA Division III team championships, placed 12 swimmers on the all-academic individual team, the most from any one institution. In all, 102 teams and 81 individuals were honored.

To qualify for team honors, a team must have a combined grade-point average of at least 2.800 (4.000 scale) during the spring semester.

To qualify for the individual honor, a student-athlete must have qualified for NCAA championships competition; must have a cumulative grade-point average of at least 3.500 (4.000 scale), and must have completed the equivalent of 24 semester hours at the institution that he or she represented at the championships during the academic year.
