Stanford women keep victory streak alive in I :

Stanford's Jessica Tong and Claudia Franco won individual events and the Cardinal won three of the five relays in cruising to a fifth consecutive Division I Women's Swimming and Diving Championships team title March 21-23 at Michigan.

Tong won the 100-yard backstroke and finished second in the 50-yard freestyle and sixth in the 100-yard freestyle to become Stanford's top point-scorer in the meet. She also swam the leadoff leg in two winning relays.

Franco won the 100-yard freestyle and anchored two winning relays.

Stanford's margin of victory over second-place Southern Methodist was a comfortable 81 points. That contrasted with last year, when the Cardinal needed wins in the last two events to stave off Michigan by 19.

Michigan entered the meet with a strong chance to become the first team other than Stanford, Texas or Florida to win a team title, but the Wolverines finished third.

"It's satisfying because this team came together to win a championship we weren't supposed to," said Stanford coach Richard Quick, who guided the Cardinal to its seventh

title. For Quick, who coached at Texas from 1984 through 1988, the team title was his 11th overall.

Stanford asserted itself early, posting a 45-point lead after the first day without winning an event. The Cardinal clinched the meet with a big sec-

ond day that included two relay wins and Tong's victory in the 100-yard backstroke.

"We got off to a rough start," Michigan coach Jim Richardson said. "After the first day, we talked about overcoming limitations you think you

have. When you're having a tough time, you have to act enthusiastic and take on the attributes of a winner."

Michigan did not win an event but scored plenty of points behind Talor Bendel, Kerri Hale and Beth Jackson, who each posted top-five finishes in
