# 1996 SOUTHEASTERN CONFERENCE SWIMMING & DIVING CHAMPIONSHIPS

THUR., FEB. 8, 1996  
DAY TWO

## CHRIS MARTIN, FLORIDA HEAD COACH

"I couldn't have asked for anything more out of both teams tonight. Not only did we win three events, but we were able to win some of the consolation and bonus finals as well. Then women's sweep of the 200-yard individual medley was nothing short of amazing when you look at the fact that all three are unshaved and unrested. Both teams (UF men and women) are in great position heading into tomorrow's events."

## ALLISON WAGNER, SO., FLORIDA

*200-yard individual medley champion; Back-to-back SEC champion in 200-yard individual medley; Student Aquatic Center pool record*

"With (Olympic) Trials only a month away, I wasn't sure how fast my time would be in this meet. I'm happy with where I am in my training, but what was even more exciting was that we were able to sweep the event. Rachel (Joseph) and Jennifer (Hommert) both had great swims."

## NICOLE deMAN, SR., TENNESSEE

*50-yard freestyle champion; Back-to-back SEC champion in 50-yard free; Student Aquatic Center pool record*

"I wasn't expecting to do this well. My main concern going into tonight was making the cut for NCAA's. I raced much better than I did this morning - all the details came together for me tonight."

## JOHN TREMBLEY, TENNESSEE MEN'S HEAD COACH

"We're half-way home. It was a big boost for Tennessee to win the last two events. It will really help our confidence in the 100 races Friday— butterfly, backstroke, and breaststroke— that the same guys who won tonight in the 400-yard medley will be involved in those. And to think what they did last night in the 200-yard medley relay with an American record. They are the fastest swimmers in the history of the galaxy. I am proud of the job that Evan Stewart did. I doubt that there has been a junior that has been five for six on the springboard. I feel better about our lead than I did at this time last year. But I remember my first year at Tennessee, we trailed Florida by over 100 points and we came back to win the Championship. I will remind our team that that kind of thing can happen. There's no place like home when home is Tennessee."

## EVAN STEWART, JR., TENNESSEE

*One-meter diving champion; Has won five of six springboard titles in three years*

"I wasn't at my best and wasn't sharp. My jumps were good. My tops felt awesome and my bottoms were a little off. This is due to a lack of practice. This is not really a time for me to be sharp because I am thinking about the Olympics and working my way toward them. I just tried on the last dive to get enough points to win the event for our team. I am concentrating on the three-meter and sort of letting the one-meter fall to the wayside."

## JACK BAUERLE, GEORGIA HEAD COACH

*On women's 400-yard medley victory. UGA victorious in all three-relay's at '96 SEC's*

"It was a little harder today compared to yesterday. We're not rested and haven't shaved, so today's performance was pretty good. The credit goes to the first two legs. The freshmen really took out and made it easy for us."
