**SEC Diving Championships**  
*Quotes –Feb. 15, 1998*

**Heather Lawrence, University of Florida, Women's One-Meter Champion**

"The victory was great and we still have two more events. It has been my goal all season to place first at SEC Championships. It was very special to win at Florida. Not only do the swimmers get behind you, but there are fans to support you."

"Everything fell into place this evening. Winning a SEC Championship is something no one can take away from you."

**Diving Coach Donnie Craine, University of Florida**

"It was wonderful. I could hardly breathe during the competition. It was a great thing to happen to Heather Lawrence. I knew she was capable of winning. It was a great performance for us."

"It was one of the greatest performances one of my athletes has had."

**NOTE:** Lawrence is Coach Donnie Craine's first female diver to win a SEC title since he returned to UF in 1989. Lawrence is the first UF female diver to win a SEC title since Megan Neyer won both boards in 1986.

**Shannon Roy, University of Tennessee Men's Three-Meter Champion**

"I am very pleased with my performance out there today. I did not miss a dive and that is what I needed to do with this tough experienced competition."

SEC Diving Championships  
*Quotes – Feb. 16, 1998*

**NOTE:** Both the men's one-meter champion, Jud Campbell (Georgia), and the women's three-meter champion, Michelle Davison (South Carolina), are freshmen.

**Jud Campbell, University of Georgia, Men's One-Meter Champion**

"I came out and ended up winning. You like to come in and make a good impression. There were a lot of great divers. You just have to be consistent."

**Diving Coach Dan Laak, University of Georgia**

"It was real exciting. I knew coming in that he had a shot. This speaks well for his future. He's a solid one-meter diver. Judd is consistent. He's had a great year."

**NOTE:** Campbell claims Georgia's first diving title since 1967. The title is also Dan Laak's first SEC champion.

**Michelle Davison, University of South Carolina, Women's Three-Meter Champion**

"I went out to have fun and dive well. I was happy with all but one dive. Everything went how I wanted it to. I didn't have a great prelims but I went in with a clean slate tonight. It was a tough competition, one of the toughest I have ever been in."

**Diving Coach Todd Sherritt, University of South Carolina**

"This is a very special win for us. I'm really happy for the University of South Carolina. It is great to win the conference title. I am just elated over this. Michelle is an experienced, veteran diver. I knew she would rise to the occasion."

**NOTE:** Davison broke the SEC three-meter record with a score of 537.20.

SEC Diving Championships  
*Quotes – Feb. 17, 1998*

**NOTE:** Kathy Pesek's score of 658.40 is a SEC record. Paco Rivera also set a SEC record with a 814.50.

**Paco Rivera, University of Kentucky, Men's Platform Champion**

"It's crazy. I trained hard all year. I guess it paid off. Hard work really does pay off."

"The diver before me missing that last dive put pressure on me. It meant it was up to me and only one other guy."

**Mike Lyden, University of Kentucky**

"Spectacular. I couldn't be more proud because it is his senior year and he has been so close in the past. He worked hard and I couldn't be happier. I am elated as is he."

**Kathy Pesek, University of Tennessee, Women's Platform Champion**

"I am pleased. I had a disappointing conference meet last year. It was nice to do that for my team and for my coach."

"I had no idea what the scores (SEC record) were. I wanted to end strong, which I didn't really do. I just wanted to land on my head. That was my only bad dive of the day."

**Dave Parrington, University of Tennessee**

"Her win was really exciting. Last year it came down to the last dive. It has been in the back of her mind all year long."

"It was really nice (coach of the year). It is a reflection of the kids on my team. It is nice to be selected by my peers."

**Diving Coach Donnie Craine, University of Florida**

"We were really lucky today. We were very fortunate that we had two divers that made the finals."

"Kathy Pesek did one of the best lists this morning that I've ever seen. That record will hold for a long time. There are not many divers who can do what Kathy does."

"It was all the girls. They are the reason I won (coach of the year). They are the reason that I get this plaque."

**MEN'S DIVING COACH OF THE YEAR: Dave Parrington, University of Tennessee**  
**WOMEN'S DIVING COACH OF THE YEAR: Donnie Craine, University of Florida**

## SEC Swimming Championships

### *Quotes -- Feb. 19, 1998*

#### **Keegan Walkley, FR, Georgia, Women's 500 Free Champion**

"I am so excited because I swam my best time, and I have been looking forward to this meet for months."

Note: Georgia's first champion in this event.

#### **Reeve Irvin, FR, Georgia, Men's 500 Free Champion**

"I was very happy with my race and my time. This is my first SECs, so this is especially exciting. My strategy was to stay up with the leaders during the race and then in the last 200 yards, start to accelerate. I stayed with my plan and it worked."

#### **Allison Wagner, JR, Florida, Women's 200 IM Champion**

(Time of 1:58.95): "It feels good to know I still have it in me after taking last year off. Now I can just keep on improving from here."

#### **Lionel Moreau, JR, Auburn, Men's 200 IM Champion**

(Time of 1:46.93 set pool record and ranks as the fastest time in the nation): "I am very happy by my first-place finish and the fastest time this season. I wanted to do better, though. In the morning, I just cruised. Tonight, I rushed my strokes a bit. This is what I wanted for my team, though - a win."

#### **Katie Taylor, JR, Auburn, Women's 50 Free Champion**

(Time of 22.54 set SEC meet record): "I am very excited with how fast I swam tonight because I am really focusing on NCAA's. I placed third my freshman year, second last year...so it is great to be the champion my junior year! The SEC meet record was just icing on the cake."

#### **Matt Busbee, JR, Auburn, Men's 50 Free Champion**

(Time of 19.54 set pool record): "I wasn't thinking about that (defending his SEC title). There were three of us (Auburn swimmers) in the final, so this was something that we see everyday in practice. We have the best swimmers in the world at Auburn and to be the best, you have to train with the best. The sweep helped the team. We were down, but now I see that we moved into first by a point. Yesterday we got the ball rolling by winning the relays - we just need to carry the momentum through Saturday."

## SEC Swimming Championships Quotes -- Feb. 20, 1998

### **Kerigan Walkley, Freshman, Georgia, Women's 400 IM Champion**

"That was my best time which was my goal for the end of the season....so it feels great to be ahead of schedule."

### **Beau Wiebel, Sophomore, Georgia, Men's 400 IM Champion**

"It was a close race from the start. I knew it was going to come down to the last 10 yards. I train with these guys every day and we talked about going 1-2-3 in this race and we did it. We had a meeting with the team before the race and the captains said we needed to go 1-2-3 to have a chance to win the conference. That was a big motivator for us."

### **Mimi Bowen, Sophomore, Auburn, Women's 100 Fly Champion**

"It wasn't my best time, but I am happy with it because I just wanted to score points for the team. We are having so much fun here, and I just wanted to win for the team."

### **Michael Bartz, Junior, Auburn, Men's 100 Fly Champion**

"It was a tough win, a great win. I had great competition from Brett (Hawke). We train together and are roommates this week. It feels great to get the win. I'm happy for the team that we could go 1-2-3. I knew that we had a chance to do it."

### **Rada Owen, Sophomore, Auburn, Women's 200 Free Champion**

"It was my best time this year and I am very excited for the win--I was wanting to be a little faster, but I won it for the team and that is all that matters. It was good, but I will be even faster at NCAAs."

### **Romain Barnier, Junior, Auburn, Men's 200 Free Champion**

"It feels real good to win at the SECs. It's a step to build on for the NCAAs. This is a good meet to get ready for the NCAA and a win here is good. It's the best conference in the nation. This is truly a team meet. We are cheering for the women's team in hopes that we can all celebrate together."

### **Kristy Kowal, Sophomore, Georgia, Women's 100 Breast Champion**

Bettered own American record in the prelims (1:00.04), SEC Meet record and Pool Record

"I was really excited to go that fast..I wasn't expecting to better my American record in the prelims, because I didn't shave for this meet, but I am very excited--especially for the team."

### **Jeremy Linn, Tennessee, Senior, Men's 100 Breast Champion**

"This is a big win for me because the SEC is the top breaststroke conference in the nation. I decided not to shave for this race so to get the win is big for me. It's a good moment to be one of the few people to win the conference four times. It's good to be in that company."

**Courtney Shealy, Sophomore, Georgia, Women's 100 Back Champion**

"It was really exciting to help the team out..I felt really good after the first 50 and I just was able to bring it home from there."

**Robert Brewer, Senior, Georgia, Men's 100 Back Champion**

"It's been four years since my lifetime best. It's been a long time coming. It's been long and it's been hard and I've had back surgery in that time. It feels good to be back."

## SEC Swimming Championships Quotes -- Feb. 21, 1998

### **Julie Varozza, Junior, Georgia, Women's 1650 Freestyle Champion**

"I am really happy because I didn't think I was going to be going that fast right now. I was out for a month and a half in the fall and it just feels great to be able to come back and go that fast, and hopefully I can carry it through to NCAA's."

### **Reeve Irvin, Freshman, Georgia, Men's 1650 Freestyle Champion**

"I pretty much felt good through the whole thing, but I was challenged the whole way. I love swimming with swimmers of that caliber. I'm really pleased with myself."

### **Keegan Walkley, Freshman, Georgia, Women's 200 Backstroke Champion**

"I am excited to win my third event of the meet. I felt great on the first half of the race and was just able to hang on."

### **Matt Cole, Sophomore, Florida, Men's 200 Backstroke Champion**

"It was great competition out there. I saw him (Michael Bartz), but I didn't know how close he was. It (the race) hurt the whole way. I didn't realize how much until I had finished."

Note: Cole's time of 1:42.83 is almost three seconds faster than his previous best of 1:45.50 set at last year's NAAs. Cole won this event swimming in lane 2. He was seeded fifth in the final.

### **Courtney Shealey, Sophomore, Georgia, Women's 100 Freestyle Champion**

"I swam faster than I expected to, and now this really gets me excited for NCAA's--just knowing that I am really ahead of schedule."

Note: 49.34--fastest time in the nation this year.

### **Kristy Kowal, Sophomore, Georgia, Women's 200 Breaststroke Champion**

"It was exciting beating my meet record from last year, and now I know I can even swim faster at NAAs. It is great scoring points for the team--we're having so much fun."

Note: SEC Meet Record and Pool Record

### **Jarrod Marrs, LSU, Men's 200 Breaststroke Champion**

"The SEC is the top conference in the nation in the 200 Breast. To get a win against this field is incredible. I think in a couple of weeks in the NAAs, it will be the same guys racing for the same thing. I can't wait to do it again."

### **Rachel Komisarz, Kentucky, Women's 200 Butterfly Champion**

"I was really happy with the way I split the race and feel that I am ready to swim even faster at NCAA's"

### **Brock Newman, Auburn, Men's 100 Freestyle**

"It was unbelievable out there. To have the top seven (from Auburn), it says a lot for our program. I knew Brett (Hawke) was going to be tough to beat. I felt it could go either way. I'm just glad I could get the win."

### **Jeff Somensatto, Freshman, Auburn, Men's 200 Butterfly**

"He (Bryan Kim) came on so strong. I knew he would be there at the end. It was an all-out dog fight to the finish. He came out of nowhere and I was just lucky to hold him off. We are both just freshman so I think we will be doing this again."
